

## **Executive Order 13522 (EO) – Key Dates and Deadlines**

**December 9, 2009** – President signs EO

**February 26, 2010** – first meeting of Council

**March 9, 2010** – *EO deadline* for agency submission of written implementation plans to Council

**March 9, 2010** – plans are posted on web page as they arrive, and sent concurrently to committee members. Members may submit questions or comments to [PLR@opm.gov](mailto:PLR@opm.gov). Public comments are directed to [LMRCouncil@opm.gov](mailto:LMRCouncil@opm.gov).

**March 19, 2010** – comment period closes for plans received by March 9. Comments are consolidated and provided to Council members

*EO requires* the Council to review each implementation plan within 30 days of receipt and provide a recommendation to the Co-Chairs as to whether to certify that the plan satisfies all requirements of the EO.

*EO requires* that agency plans determined to be insufficient be returned to the submitting agency for revision and resubmission back to the Council within 30 days.

**April 2, 2010** - provide recommendations to Council members and post recommendations and comments along with plans. Recommend approval, discussion regarding comments, or disapproval.

**April 7, 2010** – Council meeting to make recommendations to Co-Chairs regarding adoption of plans and approval of pilot projects. Those plans that are not adopted will be electronically routed to council members once they are amended and resubmitted.

**May 8, 2010** – *EO deadline* for certification of all agency implementation plans

**May 8, 2010** – *EO deadline* for Council to present recommendations to the President regarding establishing pilot projects

**November 2011** - tentative deadline for Council to submit a report to the

President evaluating the results of the pilots and recommending next steps (*EO requires* such report no later 18 months after implementation of pilot plans)
